Product Disclosure Statement issued 1st October 2015

This Product Disclosure Statement (PDS) is designed to help you understand what you need to know about the Education - Equipment Insurance Policy so that you can make an informed choice about
whether to acquire this product. Full details of the insurance cover, the exclusions from cover and the terms and conditions on which the insurance is provided are set out in the policy wording attached to and forming part of this PDS.

**WHO ARRANGES AND INSURES THE POLICY?**
The policy is arranged by Protecure Pty Ltd (AFSL No 238815), under a binding authority from Chubb Insurance Company of Australia Ltd (ABN 69 003 710 647 AFSL No 239778). Protecure acts as the agent of Chubb, not as your agent. Please contact Protecure if you have any questions about your policy.

**WHAT THE POLICY INSURES**
During the period of insurance, the policy insures against theft of, or accidental damage to, the equipment (including standard manufacturer-installed operating systems and accessories).

Cover applies within Australia or its Territories, or on journeys outside that area of not more than 28 consecutive days. Please refer to the terms, conditions and exclusions of the insurance as outlined in the Policy Wording below.

**COST OF THE INSURANCE**
The cost of the insurance (premium) will be shown in the Tax Invoice. It will depend on various factors including the type of equipment, the geographic area in which the equipment will be used, the amount of the excess, your claims history, and the term of the insurance. The premium also includes statutory charges such as GST and stamp duty.

**EXCESS**
You may be able to nominate the excess or Chubb will decide which excess will apply based on an assessment of the risk. Your excess will be stated on the Insurance Certificate and must be paid each time a claim is accepted and before the claim is finalised.

**BENEFITS OF THE INSURANCE**
Benefits of the insurance are contained within the “Insurer’s Liability” and the “Insurer’s Maximum Liability” sections of the Policy Wording.

**COOLING OFF**
You may cancel your insurance by contacting Protecure within 21 days of your cover commencing and receive a full refund of the premium. You will not be eligible for a refund if a claim is paid due to an insured event arising during this cooling off period.

**COMPLAINTS AND DISPUTES**
Please refer to the Financial Services Guide and our website for details.

**DUTY OF DISCLOSURE**
Before you enter into a general insurance contract, you have a duty under the Insurance Contracts Act 1984 to disclose to Chubb every matter that you know, or could reasonably be expected to know, is relevant to Chubb’s decision whether to insure you and if so, upon what terms. This duty of disclosure applies until the contract is entered into.

You have the same duty before you extend, vary or reinstate the insurance. This duty does not require disclosure of any matter that:
- Reduces the risk to Chubb;
- Is of common knowledge;
- Chubb knows, or in the ordinary course of its business, ought to know;
- Where compliance with this duty is waived by Chubb.

If you fail to comply with this duty of disclosure, Chubb may be entitled to reduce its liability under the contract in respect of a claim or may cancel the contract. If your non-disclosure is fraudulent, Chubb may be entitled to cancel the contract from its beginning.

**FINANCIAL CLAIMS SCHEME**
This policy may be a protected policy under the Financial Claims Scheme (FCS), which protects certain insureds and third parties in the event of an Insurer becoming insolvent. In the unlikely event of Chubb becoming insolvent you may be entitled to access the FCS provided you meet the eligibility criteria. APRA is responsible for the administration of the FCS. More information may be obtained from APRA - www.apra.gov.au or 1300131060.

In the event of total loss of the equipment and:
- the Sum Insured for each item of equipment as shown on your Insurance Certificate at the commencement of the Period of Insurance was equal to or greater than it’s replacement value when the equipment was initially insured;
- the cost of the replacement product now exceeds the Sum Insured for that item as shown on your Insurance Certificate, and:
- the equipment is replaced;

we will pay up to an additional 15% of the Sum Insured for that item as shown on your Insurance Certificate, and:

**INSURER’S MAXIMUM LIABILITY**
The most Chubb is liable to pay in meeting all claims under this policy is two times the sum insured of the equipment stated on the Insurance Certificate less all excess.

**REPLACEMENT EQUIPMENT**
Where equipment insured under this policy is replaced by equipment of the same type and value then cover will be automatically provided for this replacement equipment subject to:

**CANCELLATION EVENTS**

The following are cancellation events:

- Theft of, or accidental damage to, the equipment has occurred resulting in Chubb becoming liable to pay Chubb’s maximum liability. No refund of premium for any unexpired period of insurance is payable;
- You giving Protecsure written notice of cancellation; or
- Chubb cancels this insurance by exercising a right it may have under this policy or by law and gives at least 14 days written notice of cancellation posted to your last known address.

If you give notice of cancellation after a claim has been paid on this policy, there will be no refund of premium. If you give notice of cancellation and no claim has been paid, Protecsure may charge an administration fee.

Third party interest: Subject to the Insurance Contracts Act 1984, if Chubb has notice that a third party, such as a financier, has an interest in all or any item of the equipment, Chubb may refuse to recognise and act on a notice of cancellation given by the insured unless the third party has consented in writing to the cancellation.

FIRE
Loss of, or accidental damage to the equipment by fire is excluded under this policy but may be covered for no additional charge under a Master Fire Policy underwritten by Chubb and can be viewed at www.protecsure.com.au. Any claim under the Master Fire Policy incurs an excess of $100 each and every item per claim.

SETTLEMENT OF CLAIMS
The following conditions apply to settlement of a claim, or series of claims, from any one event:

Excess: Is the amount you agree to pay Protecsure or Chubb for making a claim. Alternatively, Protecsure or Chubb may at their discretion request the excess to be paid in full or reduce the value of the claim by deducting the excess sum from the settlement sum.

Settlement for theft or loss: Chubb will pay for a replacement product where a claim is accepted for total loss of the equipment and you pay the excess, unless Protecsure determines to settle the claim by a cash payment.

Settlement for damage: Chubb will pay for repair of the equipment by a repairer approved by Protecsure where a claim for accidental damage to the equipment is accepted and you pay the excess.

Damage treated as total loss: Protecsure may determine to treat damage to the equipment as a total loss in which event Chubb will pay for a replacement product unless Protecsure determines to settle the claim by a cash payment.

Repairs: Repair of the equipment will include reasonable freight costs to and from the nominated repairer, but will not include work authorised by you. A repair may include the use of new or remanufactured parts.

Cash payments: A cash payment in settlement of a claim will only be paid where further repair or replacement of equipment would exceed the sum insured of the equipment stated on the Insurance Certificate less the excess, or if Protecsure determines to settle the claim in this way. The cash payment will be the lower of the sum insured or the cost of a replacement product.

Claims Contracting: In settling a claim, Chubb, or Protecsure as its agent, will contract with the supplier of its choice (unless otherwise agreed) for repair or replacement of the equipment, entitling Chubb to the input tax credit on the supply.

GST: If you are registered or required to be registered for GST, a claim will be reduced by the amount of any input tax entitlement you would have received if you paid for the repair or replacement of the equipment.

Salvage: Chubb has all salvage rights to replaced equipment or parts.

GENERAL CONDITIONS
Jurisdiction: New South Wales law governs this contract and all proceedings must be commenced in that State.

Economic and Trade Sanctions: Chubb will not provide cover, and will not be liable to pay any claim or provide any benefit to the extent that the provision of such cover, payment of such claim or provision of such benefit would expose Chubb to any sanction, prohibition or restriction under United Nations resolutions or trade or economic sanctions, laws or regulations of Australia, the European Union, United Kingdom or United States of America.

Assignment: Your interest in this policy cannot be assigned. Chubb may assign its interest.

Subrogation: You must do all things reasonably required by Chubb or Protecsure so that Chubb will have the benefit of all rights of subrogation such as enforcing any right in your name. If Chubb makes any recovery as a result of such action, you may only recover from Chubb any amount by which the amount recovered by Chubb exceeds the amount paid to you or on your behalf in relation to the loss.

Notices: All notices to be given to Chubb may be given to Protecsure. Notices given by Chubb may be given by Protecsure. You should promptly notify Protecsure of a change of your address.

Responsibility for user: Unless you are an educational institution you are responsible for all acts and conduct of the User.

Reasonable care: You must take reasonable care to protect the equipment from accidental damage or theft.

Headings: Headings are not to be considered in interpretation of this contract.
